

A LOVER

I hear your name, I speak your
voice
I want to be in your embrace,
My love is real
My love is real
I am a real ~ lover of You.

My Love is real
My heart is full
I want to be in your embrace

My love is real
My love is real
I am a real Lover of You.

REPEAT BOTH VERSES THEN ... GETTING QUIETER

I am a real ~ Lover of You
I am a real ~ Lover of You
I am a real ~ Lover of You.

Love is All There Is

It doesn't matter if the sky's not blue
It doesn't matter if the sun's not there
It doesn't matter what the time is now
As long as your in love.

It doesn't matter what people say
It doesn't matter in any way
It doesn't matter if you are all alone
As long as you're in love.

There's a simple story we must tell
All about a love so blissful
It is such a wondrous story today
Love is all you need.

It doesn't matter if you can't go out
It doesn't matter if you just sit still
It doesn't matter if you work all day
As long as you're in love.
As long as you're in love.

The day will come when you pass from
the world
it will come and you'll be happy then
It doesn't matter that you're no longer
here
You'll be alive elsewhere
And the beauty of ths is that you will
know that love is all you need.

Repeat first three verses then ...

It doesn't matter that now you're
somewhere else
It doesn't matter that now you're
somewhere new
It only matters and you need to know
Love is all you need.

It doesn't matter if you can't go out
It doesn't matter if you just sit still
It doesn't matter if you work all day
As long as you're in love
As long as you're in love
As long as you're in love ~ with God.
